

MaxiCut® Oil™

44-504

MaxiCut® Oil™ delivers advanced cut protection and extended coverage for work involving sharp materials and oil exposure.

Combining EN 388 Cut Level C resistance with a GRIPtech® micro-cup finish, this glove improves handling control in oily or slippery environments. A reinforced thumb crotch adds extra durability in high-stress zones, while ergonomic shaping reduces fatigue across long shifts. Confident protection with extended coverage without sacrificing dexterity.

Oil resistance

LIQUtech® provides protection against oils, liquids, and chemical splashes.

Secure Grip in Slippery Conditions

GRIPtech® micro-cup finish improves handling precision in wet, dry, or oily environments helping reduce accidents and fatigue.

Cut Level C Protection

Built with CUTtech® fibres to deliver robust protection from sharp edges and metal parts ideal for metalwork, maintenance, and machinery tasks.

Skin-Safe & Washable at 40°C

OEKO-TEX® certified, dermatologically accredited, and pre-washed for immediate skin-safe use. Part of ATG®'s HandCare® programme. Designed for multiple wears, maintaining hygiene and performance after washing at 40°C to reduce waste and extend glove life.
