

MaxiFlex® Comfort™

34-925

All the benefits of MaxiFlex®, upgraded with a softer cotton-lined liner for superior sweat management and comfort. MaxiFlex® Comfort provides excellent breathability and dexterity, making it ideal for those needing extra insulation against heat and cold without sacrificing flexibility.

All-Day Comfort with Reduced Fatigue

Thanks to our ERGOtech® Technology, the gloves mimic the natural "hand at rest" posture, which significantly reduces hand fatigue and enhances comfort during extended use.

Enhanced Grip

With an optimised micro-cup finish, GRIPtech® ensures a secure and controlled grip, minimising slippage and increasing safety.

360° Breathability thanks to AIRtech®

Featuring our patented micro-foam coating, these gloves keep your hands cool and dry by efficiently channeling moisture and heat away from the skin.

Touchscreen Compatible

Use devices without removing your gloves. Stay connected, efficient, and protected on the job.
